SUB: FIRST EXAMINATION REPORT
REF:- PATENT APPLICATION NO. IN/PCT/2002/02173/CHE
NAME OF APPLICANT: MR. ALOYS WOBEN

Madam, /Sir, /Gentlemen,

With reference to request No. 617/RQ/CHE/2003 made on 18.07.03 by M/s. DePenning & DePenning, for examination, the above quoted application has been examined under section 12 of the Patents Act, 1970 as amended by the Patent (Amendment) Act 2002 and the first statement of objection is forwarded herewith for compliance.

The documents noted in the margin are enclosed herewith for amendment in these respects and shall be resubmitted to this office **within 4 months from the date of issue of this statement U/R 24(4)** together with an observation that you would like to offer in connection therewith.

If any correction is made in any page of the specification that page should be freshly typed and filed in duplicate. The original pages in that case should be returned to this office duly cancelled.

The application referred to will be deemed to have been abandoned unless all requirements imposed by the said act and Patents Rule 2003 are **complied within 12 months U/S 21(1). No extension of time beyond 12 months is allowed.**

The pages of the complete specification should be retyped wherever corrections or interpolation are made. The typed pages should be on white papers (A4 size) in order that clear photocopies of the specification can be prepared at the time of publication of the specification.

Yours faithfully,

V. Palaniswamy
(V. PALANISWAMY)

PATENT OFFICE BRANCH,
CHENNAI-600 018.

1. Claims do not sufficiently define the invention.
2. Claims are not clearly worded.
3. Invention claimed in claims prime facie lacking in novelty, see for instance US 5907192 & DE 19755499.
4. The question of novelty will be considered after the objection above has been complied with.
5. Claim is not consistent with description in page.
6. Title is not precise.
7. Distinguishing features with reference to prior specification is necessary.
8. Correct title should be given in all documents.
9. Power of Attorney should be filed.
10. Latest status of application filed in foreign country should be furnished to this office immediately.
11. Pages of the Complete Specification should be serially numbered at the bottom of each page.
12. Blank space in Complete Specification should be scored out.
13. Line indicating numbers should be deleted from each page of Complete Specification.
14. 'I claim' should be mentioned in Complete Specification as indicated.
15. Claims should be typed in a fresh page.
16. Application number should be mentioned in Form – 5.
17. Application number should be mentioned at the top left hand corner of the drawing sheet.
18. Portions indicated by pencil should be corrected in the drawing sheet.
19. **You are requested to quote request no. and date for all future correspondence.**

Subject : Intimation of Grant Thereof

Reference: Patent Application No IN/PCT/2002/8173/CHE

Gentlemen,

I am directed to inform that the above cited application for patent has been found in order for grant. However, patent will be granted after disposal of pre-grant opposition by way of third party representation if any, under section 25(1) of the Act and found in favor of the applicant. In this connection, it is informed that the infringement proceedings may be initiated by the applicant only after grant.

Yours faithfully,

V. PALANISWAMY
